

Health and Wellness Policy

For the health and safety of all our children and volunteers, please refrain from bringing your children to children's ministry services if they display one or more of the following symptoms:

- Fever greater than 99.6° in the last 24 hours
- Diarrhea and/or Vomiting in the last 24 hours
- Pink Eye or other Eye Infection
- Sore Throat
- Persistent Sneezing or Coughing
- Skin Infections: Unidentified Rash, Impetigo, Boils, Ringworm, etc.
- Lice
- Runny Nose, not clear
- Chicken Pox, Measles, Mumps, Rubella, Whooping Cough
- Hand, Foot and Mouth Disease
- Antibiotic Treatment for less than 24 Hours
- Any Other Questionable or Contagious Illness (Including COVID Symptoms)

Volunteers may request that a child NOT be admitted to a ministry area if they appear obviously ill. Parents/guardians may also be contacted for their child during the program or activity if the child becomes ill.
